Resort and usage fees cover the standard basic fees imposed by all the resorts. Individual resorts reserve the right to collect additional fees specific to their resort or region, such as but not limited to; government imposed sales or occupancy tax, compulsory gratuity for daily maid service, energy surcharges, and security deposits. Should your selected resort impose additional fees you will be advised prior to confirmation and payment will be due upon check out. Airfare, transfers, taxes, food, and incidentals are not included. This offer is subject to a seasonal surcharge. The peak season weeks are based on the activities and events available to each specific resort area. Some resort areas may have more than one peak season. This would be typical of a location that is in high demand during the summer months and again for the winter months during ski season. Also, all holidays, special event periods and the period from December 15th to January 5th (Christmas and New Years) are considered peak season weeks.
